ORDER DENYING RECONSIDERATION

On consideration of the respondent's motion for reconsideration¹ of Board Order EA-4763 (served May 10, 1999) and the Administrator's response in opposition, we have concluded that the motion neither establishes error in our original decision nor otherwise presents a valid basis for reconsidering the judgment that respondent's appeal was properly dismissed for his failure to file a timely notice of appeal.

¹Respondent's "Motion to Dismiss Order Dismissing Appeal" has been construed for purposes of this order as a request for reconsideration under Section 821.50.

ACCORDINGLY, IT IS ORDERED THAT:

Respondent's motion for reconsideration is denied.

General Counsel
