**ORDER DENYING RECONSIDERATION**

On consideration of the respondent's request for reconsideration of Board Order EA-4869 (served December 11, 2000) and the Administrator's response in opposition, we have concluded that the request, which simply repeats arguments and positions previously considered and rejected, neither establishes error in our original decision nor otherwise presents a valid basis for reconsidering it.

**ACCORDINGLY, IT IS ORDERED THAT:**

Respondent's request for reconsideration is denied.

CARMODY, Acting Chairman, and HAMMERSCHMIDT, GOGLIA, and BLACK, Members of the Board, concurred in the above order.
