ORDER DENYING RECONSIDERATION

On consideration of the respondent's petition for reconsideration of Board Order No. EA-4912 (served September 21, 2001) and the Administrator's response in opposition, we have concluded that the petition, which simply repeats arguments previously considered and rejected, neither establishes error in our original decision nor otherwise presents a valid basis for reconsidering it.¹

ACCORDINGLY, IT IS ORDERED THAT:

Respondent's request for reconsideration is denied.

BLAKEY, Chairman, CARMODY, Vice Chairman, and HAMMERSCHMIDT, GOGLIA, and BLACK, Members of the Board, concurred in the above order.

¹Section 821.50(d) of the Board's Rules of Practice provides that repetitious petitions for reconsideration "will not be entertained by the Board and will be summarily dismissed."
