ORDER DENYING RECONSIDERATION

Upon consideration of respondent's amended petition for reconsideration of Board Order No. EA-5055 (served, as amended, on September 5, 2003) and the Administrator's response in opposition, we conclude that the petition, which in many respects simply reiterates arguments previously considered, neither establishes error in our original decision nor otherwise presents a basis for modifying it.¹

ACCORDINGLY, IT IS ORDERED THAT:

Respondent's request for reconsideration is denied.

ENGLEMAN-CONNERS, Chairman, ROSENKER, Vice Chairman, and GOGLIA, CARMODY, and HEALING, Members of the Board, concurred in the above order.

¹ The Administrator's motion for an expedited ruling on the petition is dismissed as moot.
