ORDER DENYING RECONSIDERATION

On consideration of respondent's petition for reconsideration of Board Order No. EA-5345 (served December 6, 2007) and the Administrator's response, we have concluded that the petition, which simply repeats arguments previously considered and rejected, neither establishes error in our original decision nor otherwise presents a valid basis for reconsidering it.¹

¹ Section 821.50(d) of the Board's Rules of Practice provides that repetitious petitions for reconsideration "will not be entertained by the Board and will be summarily dismissed."

ACCORDINGLY, IT IS ORDERED THAT:

Respondent's petition for reconsideration is denied.

ROSENKER, Chairman, SUMWALT, Vice Chairman, and HERSMAN, HIGGINS, and CHEALANDER, Members of the Board, concurred in the above order.
